

Our Torrance Memorial community is grateful for your help and support of our COVID-19 response. Our supplies of personal protective equipment (PPE) are in pretty good shape, and our supply chain channels are filling orders. With the uncertain future of the impact of COVID-19, we remain grateful for your support either through a financial donation or through provision of supply donations for our care providers.

Please visit [www.torrancememorialfoundation.org/donate](http://www.torrancememorialfoundation.org/donate) to make a donation of any kind.

We are glad to provide you some guidance below if you wish to make a gift-in-kind donation of supplies. Again, thank you for an overwhelming response to assist our Torrance Memorial community.
