Cur : Hi! I am Cuki. My name is Cur.

And these are my cousins. We are going to celebrate a special festival called Kindy. We want a lot of friends to celebrate it, so it would be the best day. Three of us are going in different directions. So we can find friends easily.

Their names are Furry, Puki and Pupy.

**Page 3: (Cur was hearing celebration sound at a house with mat which has spiral pattern)**

Cur: What is that sound? Let me find friends over there.

Cur (While seeing the spiral mat, it is getting giddiness): This mat makes me....dizzy...awww...!  
(She fell down)

Cuki (in halloween costume): It is a cat.

Other cukies: Why is it sleeping here?

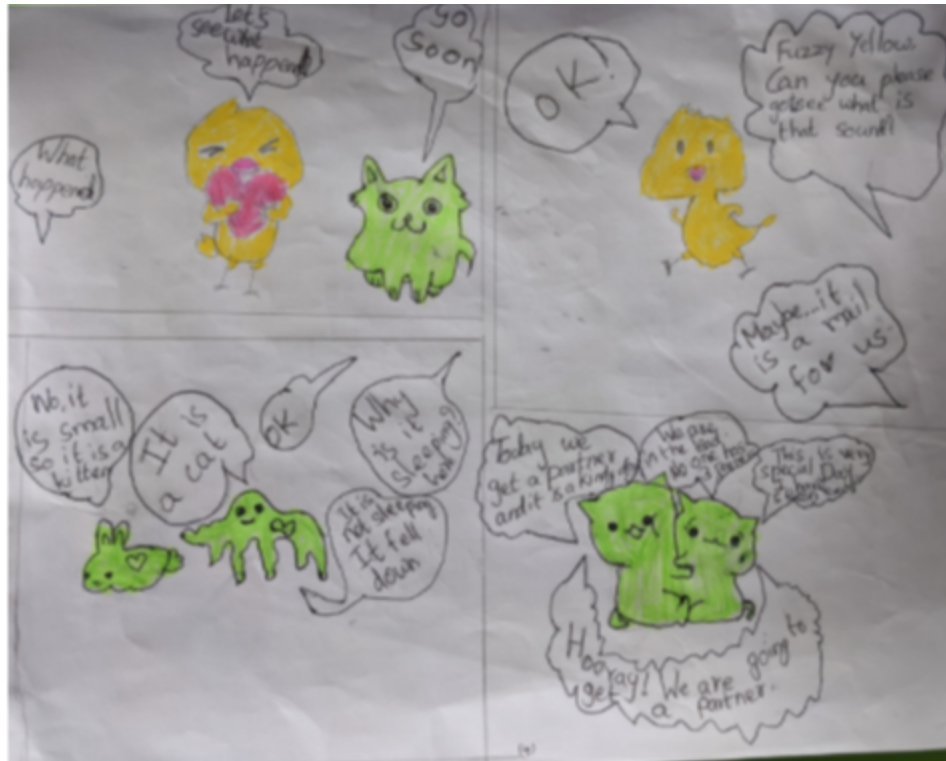

Cuki (in halloween costume): It is not sleeping. It fell down.

Other cukies: OK

Cukies 1 ( After thinking Cur was their new friend): Today, we got a partner and it is a kindy day!!

Cukies 2: We are in the lead. No one has 3 partners. This is the most special day I have ever seen!

Both cukies: Hooray! We are going to get a partner.

**Page 5: ( Cukies were enjoying their desserts and snacks for the celebration but Cur got confused)**

Cur : Who are you guys?

Cukies 1: it seems like she doesn't want to play with us.

She goes away.

Hey where do you go?

Other Cukies (Sharing snacks to Cur kindly): Well...Co..me!!!

Cur: May be...they are just trying to be friends.

Cur started to enjoy their offerings.
