One Christmas Eve, Florence and Charlie, were playing
at Wilson Park. It was cold and nice but suddenly...

Oh No! I am going
to crash!!! All the presents!
NOT TONIGHT!

Oh no! Where is my sleight! Where are thereindeer?

I NEED HELPII!

Please, can
you help me?

Sorry,
I am
Late!

CAN YOU
HELP ME?

I am
scared-

CAN YOU
HELP ME?

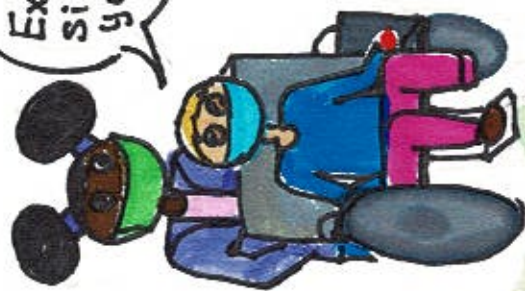

GO
AWAY!!!

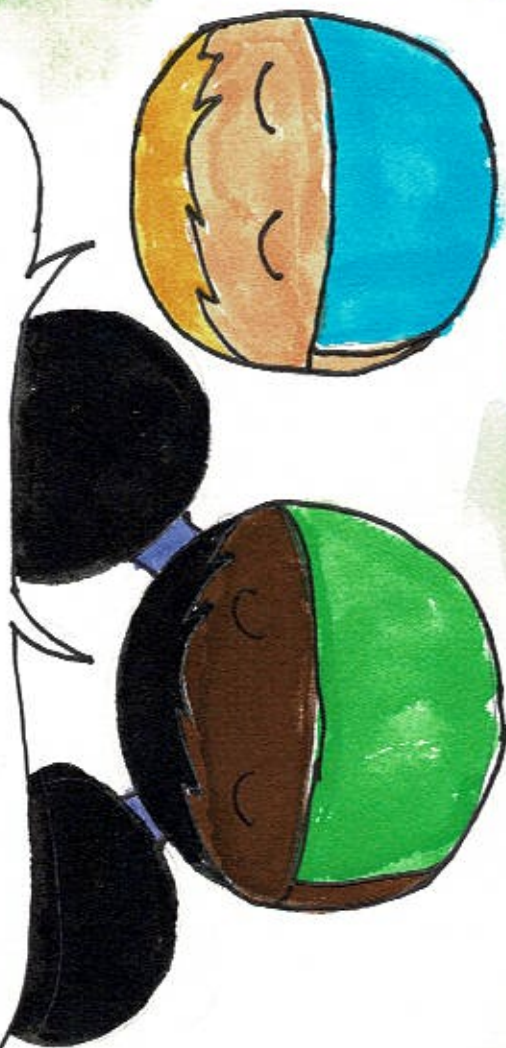

Oh, I am so sad...
I need help. I lost
my reindeer and also
my sleigh...

Excuse me,
sir, are
you OK?

We will help you!

Really?

THANKS!

Excuse me sir,
but...
reindeer can't
talk...

Oh, Rudolph!
are you OK?
Were are the other
reindeer, my friend?

We are all
fine but the
others ran
away

Charlie, am I crazy?
Did that
reindeer talk?

I told you Florence!
This man is...

Away?
WHERE?

They went to a party.
"Let's go to Del Amo"
They said

A PARTY???

When they heard the news, all went to Del Amo mall
To check if it was true... AND IT WAS!!!
All the reindees were there dancing, singing, shopping,...

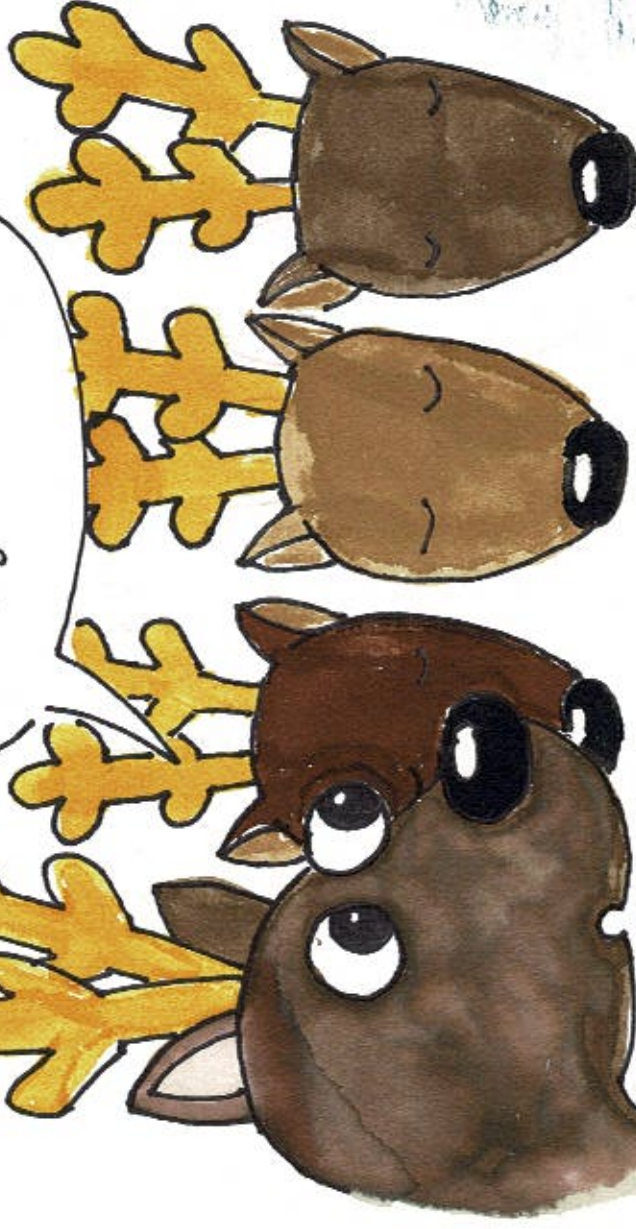

Sorry Santa, won't happen again. We just

wanted some fun after this crazy quarantine.

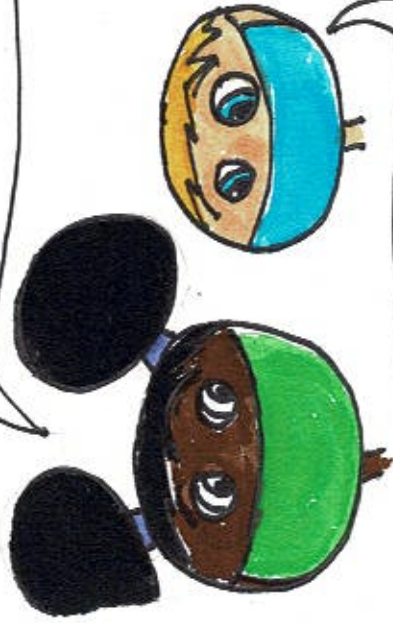

Sorry sir...

Is this yours Sir?

I totally understand, but now it's not time for this. It is almost Christmas! We need to hurry and find the sleigh!

I KNEW IT!
I KNEW IT!

No, you did not!
I TOLD you so!

Circle up reindeer!
We need to go!

Oh, thank you Mr. Lopez and Ms. Yang.
You made my day! Here we fly again!

Don't worry Santa, just be careful, OK?

OK, OK, ... I will! Ho Ho Ho!

As soon as Santa said those words, his clothes turned clean as brand new. Then Santa took his new friends to their home.

Thank you Charlie, Thank you Florence!
You are THE BEST!
Have a Merry Christmas!
And thank you again!

Charlie and Florence went inside and told their parents all about their adventure. At first their parents did not believe them but the Christmas morning...

THE END
